DEPOSITS

The Utility may require from any customer or applicant for service a cash deposit or other guaranty to secure payment of bills not to exceed two-twelfths (2/12) of the estimated annual bill of such customer or applicant where bills are rendered monthly, or three-twelfths (3/12) of the estimated annual bill where bills are rendered bi-monthly, or four-twelfths (4/12) of the estimated annual bill where bills are rendered quarterly. Interest at the rate of six percent (6%) per annum will be paid on deposits so required, accruing from the date of deposit.

DISCONTINUANCE OF SERVICE BY UTILITY/RECONNECTION FEE

The Utility may refuse or discontinue service to an applicant or customer, after proper notice, for failure to comply with its rules and regulations or state and municipal rules and regulations, when a customer or applicant refuses or neglects to provide reasonable access to the premises, for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for nonpayment of bills, the customer shall be given at least five (5) days written notice, separate from the original bill, and cut-off shall be effected not less than twenty (20) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the Utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may not be effected until the affected resident can make other living arrangements or until not less than thirty (30) days elapse from the date of the Utility's notification. When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused. Upon correction of any condition that has resulted in discontinuance, service shall be restored upon payment by the customer of a reconnect fee.

PERSONAL APPEARANCE TO COLLECT BILL

In lieu of discontinuance, the Utility may authorize agents or employees to personally collect delinquent accounts from the customer. An additional fee of \$10.00 may be added to a delinquent account to pay for a single visit in the collection of such delinquency. The utility may make a field collection charge only once in any billing period.

TERMINATION OF SERVICE

Customers who have fulfilled their contract terms and wish to discontinue service must give at least three (3) days written notice, or in person, to that effect, unless contract specified otherwise. Notice to discontinue service prior to expiration of contract term will not relieve customer from any minimum or guaranteed payment under any contract or rate.
